Please find below and/or attached an Office communication concerning this application or proceeding.

Art Unit: 1636

Notice of Nonresponsive Amendment

The reply filed on 07 November 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): On page 25 of the remarks filed in response to the rejection under 35 U.S.C. 112, first paragraph requiring a biological deposit, Applicant states that a copy of the deposit receipt for Access No. CECT20241 has been filed. This paper has not been filed such that the examiner cannot fully evaluate Applicant's reply. The Examiner requests that this deposit receipt referred to by Applicant be submitted. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Konstantina Katcheves whose telephone number is (571) 272-0768. The examiner can normally be reached on Monday, Tuesday, Thursday and Friday 7:30 to 5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Remy Yucel can be reached on (571) 272-0781. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
